A reduced rate is possible if lessons are bought by monthly prescription:

\$160 includes a one month subscription of weekly private lessons.

These reduced rates only apply to one student at a time, and the lessons are to be taken within the month.

If a month has five weeks, the fifth week will be included in the regular price, and will be used as a makeup lesson or a holiday.

Cancellations must be made 24 hours in advance in order to get a makeup. Lessons must be made up within two weeks.

Monthly rates are nonrefundable unless Hartselle Equestrian Center makes an unplanned cancellation (not weather related). Then it will be made up or refunded.

Our lessons start at the age of 5. Children under the age of 10 get 30-45 minutes of ride time.

They will be asked to arrive 30 minutes before their lesson time in order to catch their horses and receive instruction on proper handling, grooming, tacking and care of the horse.

Children above the age of 10 will be asked to come 30 minutes before their lesson time in order to groom and tack their own horses. These students will have 45 minutes to an hour of ride time.
